Employment History

- Jul 2013 – **Assistant Professor**, Department of Electrical & Electronics Engineering, Ilahia College of Engineering and Technology
- July 2010 – May 2011 **Lecturer**, Department of Electrical & Electronics Engineering, Sree Narayana Gurukulam College of Engineering, Kolenchery.

Education

- 2011 – 2013 **Post Graduation, Anna University-:** M.Tech in Power Electronics and Drives
Thesis title: *Energy Conservation Measures Using Variable Frequency Drives.*
- 2005 – 2009 **Under Graduation, Mahathma Gandhi University:** B.Tech in Electrical and Electronics Engineering.
Project title: *Relay Testing Using 83 Series EOL Tester.*

Skills

- Languages **Strong** reading, writing and speaking competencies for English, Malayalam and Hindi
- Software Proficiency **MATLAB**
- Misc **Academic Research, Teaching, Training, LATEX typesetting and publishing**

Miscellaneous Experience

CONFERENCE

- 2021 **National Conference On Advancements In Engineering and Computing June 2021 Presented A Paper Titled DTMF Based Home Automation System**, Ilahia College of Engineering and Technology.
- National Conference On Advancements In Engineering and Computing June 2021 Presented A Paper Titled PV Powered Rubber sheet and Seed Dryer**, Ilahia College of Engineering and Technology.

WORKSHOP

- 2022 **National Intellectual Property Awareness Mission Feb 2022**, Ilahia College of Engineering and Technology.

Miscellaneous Experience (continued)

FDP

- **Advanced Research and Quality Publication in Sep 2022**, Federal Institute of Science and Technology.
- **Emerging Trends in Power, Energy and Control Aug 2022**, Muthoot institute of Technology and Science .
- **Fostering the New Dimensions of Teaching Learning Practices in Technical Education Sep 2022**, Mar Athanasius College Of Engineering .
- 2021 ■ **Recent Trends in Electric Vehicles and System Design June 2021**, Sahrdaya College of Engineering and Technology .
- **Advancements in Systems for Electric and Hybrid Vehicles April 2021**, Viswajyothi College of Engineering and Technology .

Duties/Responsibilities

- 2023 ■ **Department Women Empowerment Committee Member**
- **Department Attendance Monitoring Committee Member**
- **Department Social Media Promotion Committee Member**
- 2021 ■ **Department Academic Coordinator**
- **Department Website Development Committee Member**
- **Department Training and Placement Committee Member**
- **Department Feedback Committee Member**
- 2017 ■ **Mentor 2017-21 EEE Batch, Mentor 2019-23 EEE Batch**
